Personal Development and Health Unit

Dear Parents,

As part of our Personal Development and Health studies this term, Stage Two are undertaking a unit of work titled Protecting Me.

Several lessons within this unit of work are focused on different types of abuse, both physical and sexual, and the effects that this type of abuse can have on those involved.

It is important that we cover these difficult areas in order to teach students how to protect themselves and others should they ever encounter such a situation.

If you would like to discuss anything related to this topic, please contact your child’s teacher.

Regards,

Lisa Buchanan
Stage Two Teacher
